### 5. FIREFIGHTING MEASURES

Suitable firefighting extinguishing media: Water  
Special exposure hazards:                      None  
Protection against fire and explosions:                      Peat is a combustible material so this product should not come into contact with naked flames.  
Hazardous thermal decomposition products:                      Burning may produce nitrogen oxides and carbon monoxide

## 6. ACCIDENTAL RELEASE MEASURES

Environmental precautions: Prevent dispersion  
Cleaning up methods: Collect spilled material in containers

## 7. HANDLING AND STORAGE

Handling: Prevent formation of clouds of dust  
Storage: No specific protective measures required. Keep in a cool, dry well-ventilated place away from chemicals and pesticides

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Personal protective equipment: No special protection is needed when using this product as directed  
Hand and Eye protection: No special protection is needed when using this product as directed  
Occupational Exposure Limits: No limits have been established

## 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Fine peat blend  
Odour: Peaty  
PH: 6.0  
Solubility in water: Mostly Insoluble  
Decomposition temperature: 150 - 200°C

## 10. STABILITY AND REACTIVITY

The material is stable under normal conditions of use

Conditions to avoid: Excessive heat (peat is combustible), moisture and combustible substances  
Hazardous reactions: None reported or known  
Hazardous decomposition products: None

## 11. TOXICOLOGICAL INFORMATION

This product is regarded as non-toxic

## 12. ECOLOGICAL INFORMATION

Persistence/degradability: Biodegradable

## 13. DISPOSAL CONSIDERATIONS

Methods of disposal: Disposal according to local regulations

## 14. TRANSPORT INFORMATION

Free for transport regulations

## 15. REGULATORY INFORMATION

Uses and restrictions:

Horticultural use:

EU regulations/classification:

This product does not contain any hazardous Ingredients (67/548/EEC-88/379/EEC) in accordance with EU regulations (91/155/EEC)

## 16. OTHER INFORMATION

The information contained in this Safety Data Sheet, as of the issue date, is believed to be true and correct. However, the accuracy or completeness of this information, and any recommendations or suggestions, are made without warranty or guarantee. The product label provides information on the use of this product. Since the conditions of use are beyond the control of our company, it is the responsibility of the user to determine the conditions of safe use of this product.
